

Help our City get rid of E-Waste the right way by sending it to a proper recycling process and not into the landfills!

- Electronic discard is one of the fastest growing segments of this nation's waste stream.
- 56% of American households have functional e-products that they no longer use.
- 70% of heavy metals, 40% of lead and mercury contents found in today's landfills come from E-Waste.
- New federal mandate requires that television stations switch from analog format to digital format, which means a greater number of televisions will become obsolete within the next several years.

E-Waste Collection Event Date, Time and Location:

Saturday & Sunday, April 17 & 18, 2009
From 9:00 am to 4:00 pm

Educational Service Center (Parking Lot)
4999 Casa Loma Ave.
Yorba Linda, CA 92886

An Event hosted by the Yorba Linda Chamber's Education Scholarship Fund. For more information, please contact us at (714) 993-9537 ext 103 or phyllisylcc@sbcglobal.net

What is "E-waste"?

E-Waste is any consumer electronic equipment that has reached its 'end-of-life' or 'end-of-usage,' whether in full or non-working condition. It includes most electronics or electric appliances with a cord or circuit board such as:

Computer Monitors, Television sets, PC Systems, Printers, Laptops, Copiers, Scanners, Fax Machines, Toner Cartridges, UPS & PDAs, Power Supplies, Main Frame Units, Networking Equipment, Mother Board Systems, VCR/VCD/DVD Players, Home Entertainment Systems, Landline and Cellular Phones, & Small Portable Devices. We also accept car and forklift batteries. There is a \$5.00 service fee for Microwave Ovens. We do not accept: Refrigerators, Washer and Dryers, Fluorescent Light Bulbs, and Household Batteries.

This program is not affiliated with the school or school district. The school district does not endorse or sponsor this activity.
