Dear Parents:

The close of the 2007-2008 school year is just around the corner, and I want to take a moment to thank you for the support and encouragement you have provided this year for the students and staff at our school. We have had a very successful year and truly appreciate our partnership with our parents on behalf of Brookhaven Elementary School students.

As you may know, the State's budget crisis is severely impacting California schools, and school districts across the state are facing some tough decisions as they work to implement budget cuts brought on by reduced State funding for education. The PYLUSD is no exception, and district staff is working diligently to minimize the impact of budget cuts on the educational programs in our schools.

With that in mind, bell schedules across the district will be adjusted for the 2008-2009 school year to ensure greater efficiencies, cost savings, and consistency among all grade levels and schools. This change will help the district save substantial dollars while maximizing student programs during these challenging fiscal times.

So that you may plan for next year, I have provided below the bell schedule for Brookhaven which will be effective the beginning of the 2008-2009 school year:

## First grade-Sixth grade

**Full day**  
7:50-2:07

**Early Release for Staff Development (10 days)**  
7:50 – 1:07

**Parent Conf/Writing Prompt (4 days)**  
7:50 – 12:37

## Kindergarten

**7:50-11:10 Early Bears**

**9:30-12:50 Late Bears**

Thank you again, for your continued support as we work together to ensure outstanding educational opportunities for our students.

Sincerely,

Shirley Fargo  
Principal
