Commonly Asked Kids' College Questions

Question	Answer/Explanation
What grade level should I enroll my child in?	During the school year, enroll the child in the grade level they are in. During the summer term, if the child wants to preview the coming year, enroll them in the grade they will be entering. Because classes may require a level of coordination, or maturity we ask that parents follow these guideline.
Is there homework in the Kids' College class?	Kids' College classes are not graded. These are designed to be fun classes with out the pressure of homework and grades. A teacher may provide enrichment activities for outside of class time or opportunities to complete worksheets to check for understanding of class material, but there will be no grade recorded for the child.
Can students register after the term has started?	Yes, but tuition is not prorated if the class has already started. It would not be advisable to register if the class has met more than two times. Also, parents should know that if your child is starting a tutorial class late these classes only run for five weeks.
Why do some classes have grade levels and some have age levels?	Our instructors have designated grades or ages appropriate for their class. Usually academic subjects are divided by grade levels and the non-academic areas like sports, where coordination might be important, are divided by age.

General Information

Fall 2009

ADMISSION TO CLASSES: Students are admitted on a first come, first served basis. Students are not permitted to attend classes in which they are not officially enrolled. This means NO petitioning or auditing in an SCE class. Classes "filled" may mean there is a "waiting list" already established for students wanting to attend.

HOW DO YOU REGISTER? No matter where the class is held, you can register at any of our campuses:
 Anaheim: Second Floor
 Cypress: Parking Lot 4: Building SCE/CYP/100
 Wilshire: Administration Building #3

Online registration: Begins August 25, 2009 at www.sce.edu and is available for Kids' College until the day before the class starts or class fills.

In Office registration: Begins on August 26, 2009 and will continue until the classes fill or begin.

CLASS SCHEDULE SUBJECT TO CHANGE: SCE has made every reasonable effort to determine that this class schedule is accurate, however changes may occur after press time. Class listings are subject to change/corrections. Please plan your child's schedule carefully. No refunds if parent enrolls child in wrong grade/age level. Please note that all classes may be subject to cancellation due to low enrollment.

Kids' College Classes begin September 26, 2009. Most classes are offered for six weeks unless otherwise noted. Please note individual class start dates. No classes November 7 - 9, 2009.

HOW MAY I PAY FOR CLASSES? Full payment is required at time of registration. Cash, checks, money orders, and credit cards (MasterCard and VISA) are accepted. A \$25 returned check fee will be charged for any returned checks.

REFUNDS: A Refund Petition must be filed 48 hours before the class starts. A \$10 processing fee will be deducted from ALL refunds issued (except classes canceled by the District). **No Refunds After The Class Has Begun.** Refund only on books purchased at bookstore.

PARKING FEES: Permit parking spaces are limited. A parking permit does not always guarantee a parking space.

Anaheim, Cypress and Fullerton Sites: Parking is by permit only. Please check with individual site for current parking fees for both daily and term permits. Permit honored at all three locations.

PARKING FEES AND REGULATIONS SUBJECT TO CHANGE.
