

Brookhaven PTA Membership Drive 2009-2010

Thursday, September 17 through Thursday, October 1

Dear Brookhaven Parents & Students,

The Brookhaven PTA (Parent-Teacher Association) welcomes you back to school!

The Official PTA Membership Drive “kick off” is on Thursday, September 17th, (the same day as Brookhaven’s Back to School Night) and extends through Thursday, October 1st. All PTA envelopes with payments are due on October 1st, to be eligible for the contests listed below.

Last year we were in competition for a PTA Council monetary award of \$2009.00 – it was so close! But we came in 2nd place...as a result of working towards that incentive; Brookhaven earned an award given by the 4th District PTA for “The Most Creative Membership Drive” out of all the schools in Orange County (and a small portion of L.A.).

This year, our goal is to increase Jr. PTA Memberships!

What is a junior membership? It is the chance for students to join the PTA. Not only will you be supporting Brookhaven School, but you will also be eligible for some awesome rewards as appreciation for your PTA participation. “With great power comes great responsibility.”

- **Jr. PTA Memberships will remain \$5**
- **Adult Memberships will remain at \$8**

Also, for every paid membership returned, each student will receive a FREE ADMISSION with one full paid admission to Lego Land California and/or Aquarium Sea Life certificate complements of Lego Land!

Junior PTA Membership Cardholders Rewards:

- **4 FREE ice creams per school year.**
- **2 ‘First On Friday’ trips to the front of the ice cream or lunch line.**
- **An invitation to attend a special Jr. PTA Association Meeting.**

Student/Classroom Contests:

1) “100% Participation Classroom Titan Award”:

If every child returns their PTA membership envelope (even if you do not get a paid membership) the class will earn a root beer float party.

If you have a brother or sister at school you can return one envelope per family listing siblings on the envelope. Each one of you will get credit for the returned envelope. For every returned envelope, each child will receive 1 free game of bowling, complements of Concourse Entertainment!

2) “The Superhero Teamwork Competition”:

Be the grade level that returns the most PTA memberships (per capita)! This may include parents, grandparents, relatives, neighbors, or junior memberships. The winning grade will receive a pizza party. In the event of a tie, we will determine the winner based on the total dollars received from the membership drive.

Please see the Superhero Teacher’s display in the MPR. Watch the progress of your classroom/grade!

Let’s all work together and get those PTA Memberships in. All funds raised by PTA benefit the curriculum and enrichment programs for our students at Brookhaven. We are looking forward to a fantastic school year celebrating ‘Superheroes... Working Together, Works!’

Pam Ek, Brookhaven PTA Membership Chair
